Device details

Name

FibreChannelSwitch:DCCASW_2

Display class name

FibreChannelSwitch

Vendor

BROCADE

Model

Brocade 200E FC Switch

Chassis serial

RD060007924

Description

Fibre Channel Switch.

Processor details

Name	Description	Current utilisation
------	-------------	---------------------

Memory details

Name	Description	Total memory (kb)	Free memory (kb)	Percent free at last poll
------	-------------	-------------------	------------------	---------------------------

Card details

Name	Description	Location
CARD-DCCASW_2/1	Fibre Channel Switch.	

Interface details

Name	Description	Admin status	Operation Status	Max speed	Max transfer unit	Type	Interface alias	Last changed	Is managed	IP name
IF-DCCASW_2/805306369	eth0	UNKNOWN	UNKNOWN	10000000	1500	ETHERNETCSMACD		July 11, 2016 6:01:17 AM GMT+00:00	True	192.168.0.97

Port details

Name	Display name	Description	Admin status	Operation Status	Max speed	Max transfer unit	Type	Interface alias	Last changed	Is managed	IP name
------	--------------	-------------	--------------	------------------	-----------	-------------------	------	-----------------	--------------	------------	---------

Disk details

Name	Capacity (kb)	Description
------	---------------	-------------

File system details

Name	Description	Total storage (kb)	Available storage (kb)	Percent used at last poll
------	-------------	--------------------	------------------------	---------------------------

Fan details

Name	Description	Current utilisation
------	-------------	---------------------
